Robert,

I connected with Marie Rumsey from CCA who had more insight on this. It looks like the portion in front of the BLOC is starting to take shape and she should have a better sense of the timeline after a meeting on 3/15 with DOT.

As we discussed, the entire 7th St plan is being led by CD 14 now. Marie noted that they will be coming to a CCA Transportation, Infrastructure and Environment Committee meeting soon to present. We can let you know when that will be. In the interim, Marie is happy to reach out to you to provide the information that she has. When would be a good time for her to call next week?

Thanks.

Suzanne

Hi Suzanne -

Do you know the status of the 7th Street improvements that were required under the Wilshire Grand development? It looks like the WG will be ready to open soon, yet I have not heard any updates for the planned improvements on 7th.
